

HOW THE WEST WAS FUN!

School Age Summer Program
June 14th - September 3rd, 2010

This summer, our School Age students will be learning about the Westward Expansion! Weekly themes, field trips & in-house events will teach us all about our country's early history. Daily enrichments include: Math Masters, Science Sleuths, Writer's Workshops & Book Worms. Weekly soccer and swimming lessons are available for an additional fee.
