

Infant Room News

August 2010

We've been having a great time getting outside! Please continue to apply sunscreen at home before you come in the morning. Also, if you don't have a hat here for the sun, please bring one in.

We really enjoyed the Zoo Mobile! The visitor from the zoo brought in some really fun small animals for the kids to see!

We also had a great time dancing it up at the Dance Party on July 30th. Maria from Lake Area Dance came to lead the kids in dance. The babies especially loved the props she brought— bandanas and beanie toys for the “beanie dance.”

Reminders for Parents:

- Blankets go home at the end of the week.
- Check cubbies for dirty clothes bags
- Please return monthly food charts (required and very helpful)
- Make sure the gate is closed behind you!
(we don't want to let anyone out)

WELCOME:

EMMETT

Family Fun Night!

Tuesday, August 10th

4:15—6:15

**Tell your friends and family!
Everyone is welcome!**
