Energy

Monday -- Wind Energy

Tuesday -- Walton's Hollow Petting Zoo

Wednesday -- Human Energy

Thursday -- Electricty

Friday -- Water Energy

Word Family
AN

MATH CONCEPT
Telling Time

What did we do last Week?

We had a FABULOUSLY fun week learning about where we can find water in our world and the different ways we use it, along with plants and animals. We had a gorgeous day for the wading pool! Check out the link to see the pictures we took on our fun day. The kids made some really great murals that will be going up on our wall soon. Look for those next week! We also made some blue jello with fish and sharks in it for color of the week and measured things in really silly ways!

COLOR of the Week: YELLOW

WATERPLAY: Wenesday

Upcoming Dates To Remember:

Special Activity—August 3rd
Shivanie's B-Day—August 7th
Special Activity—August 12th

ATTENTION PARENTS

Please remember to put sunscreen on your child **PRIOR** to bringing them to school each morning. We only apply sunscreen in the afternoon before going outside. Also, pay close attention to calendars and newsletters as Waterplay Day changes weekly! Thank You!

SHARING

Mondays, Tuesdays, Wednesdays, & Fridays:
Theme Sharing
Anything YELLOW!
Thursdays: Free Sharing
Bring ONE thing of your choice to share with your friends.
