

# The Preschool Weekly

August 2nd-6th

Miss Amber's Class

## Energy

Happy 4th Birthday to Brady on August 2nd!

Thank you to Monique and Mike for coming on our field trip! Parents are always welcome to join us!

The petting zoo is coming to visit on Tuesday, August 3rd! Please check the door for more details!

### This Week's Preview:

**Monday: Saving Energy!** The children will be learning about ways they can conserve energy and why it's important.

**Tuesday: Petting Zoo!**

**Wednesday: Hydroelectricity!** The children will learn about how water can create energy.

**Thursday: Water play day!**

**Friday: Lights out!** The children will understand the importance of saving energy by keeping most of the lights out and using flashlights to see for the day!

### Reminders:

Come and join Family Fun Night on Tuesday, August 10th from 4:15-6:15 at the center! The Teddy Bear Band will be playing along with having a super jump, ice cream, and sno-cones! Be sure to bring friends along!

### SHARING: Tuesday

#### *A Favorite Summer Toy!*

#### Last Week's Review:

The children learned about the importance of water! The children made their own ponds, lakes, and oceans! Please check the classroom bulletin boards for their art work!

The children made their own edible lake using blue jell-Swedish fish, graham crackers, and chocolate chips! Ask your child about why we used the different ingredients!

The children went on a field trip! Ask your child for more details!
